

Technical Data Sheet

80 mm Handy blades, 0.20 mm carbon steel

Art. no. 321-80-0.20-C-10-0

Handy blades are manufactured in the familiar JBF quality. Triumph blades are supplied in a practical dispenser, which makes them easy to use and the used blades easy to dispose of.

All Handy blades are sharp on both sides, which makes them extremely economical to use. The blade is simply turned over and a fresh scraping edge is available.

Item without packing

Net weight (kg)	0,03
Lenght (mm)	134
Width (mm)	30
Height (mm)	12
Volume (m³)	0,0005

Item with standard packing

Items per package	150 dispensers
Package net weight (kg)	6,10
Package gross weight (kg)	6,28
Package lenght (mm)	280
Package widht (mm)	200
Package height (mm)	130
Package volume (m³)	0,007
