

Technical Data Sheet

Handy Straight

Art. no. 320-STR-80-0

The Handy series is a low-cost option for light, occasional use. The 80 mm head is ideal for removing paint spots, small stickers and tape from windows. The Handy series has been produced to live up to JBF's high standards of quality, which makes it the best small scraper on the market, ideal for both tradesmen, hobbyists, and painter-decorators.
